

TRPC Slippery Rock Clinic

The highly successful Slip Clinic has been a Three Rivers Paddling Club tradition for many years and this year their membership is inviting Keelhaulers to participate. The Clinic is a great opportunity for beginners, practiced beginners, intermediates and youth to improve their paddling skills and techniques. It is also a great opportunity for more experienced paddlers to get involved. We are asking every experienced boater to help by instructing, assisting, safety boating or just coming out for dinner, fun and campfire Saturday night! EVERYONE can be involved!

The philosophy of the clinic is to teach paddlers on water where they feel totally comfortable, with progression to more difficult skills and water after mastery of basic skills has been demonstrated.

Completed hard copies of the forms must be mailed to the appropriate coordinator at the addresses specified on the forms.

If you have questions on how it all works contact: joemarksz@gmail.com
