

Turkey Bash

The Turkey Bash Kayaking Clinic is held in the Ohio pyle area and has been a Three Rivers Paddling Club tradition for many years. This year their membership is inviting Keelhaulers to participate and it will be a great opportunity for beginners, practiced beginners, intermediates and youth to improve their paddling skills and techniques. On top of that, we all share a delicious Thanksgiving dinner on Saturday night. More experienced boaters really enjoy the opportunity to share their knowledge and skills and help by instructing, assisting or safety boating. The philosophy of the Turkey Bash Clinic is to teach paddlers on water where they feel totally comfortable, with progression to more difficult skills and water after mastery of basic skills has been demonstrated.
